

# Indiana Conference

## The United Methodist Church

To all,

I would like to thank Monte Chamberlin, Founder of the Cost Stewardship program for his cost ministry support to the Indiana United Methodist Conference of Churches. Our Conference office, camps and district offices have directly benefitted from many of the program offerings with tangible and significant savings.

In regards to our churches statewide, hundreds are participating and I am pleased to convey that the overwhelming response to the Cost Stewardship program has been positive. The programs including Office Depot, Konica Minolta, Tax Cash Back, OutTouch Ministries Telecom & Data, Proliance Energy and others have gained broad acceptance by our many churches. The "no cost to join" approach is has been very well received.

We are grateful to be the charter participant in this initiative and fully support your efforts based on our positive experiences alone.

We can be called upon as a reference and can be reached at (317) 924-1321.

In appreciation,

---
